Jagdeep Kaur
(Quality Assurance)

USER STORIES

Are you tired of standing in a long line at cafes?

THE NEED

“Time taken to order and pickup food/beverages”

 Average **12** Minutes

 On a Bad day, **17** minutes

 If you are Lucky, **9** minutes

A top-down view of a still life arrangement on a light grey, textured surface. On the left, a rectangular lattice pie with a golden-brown crust sits on a dark grey cloth. Above it are two whole red apples. In the upper center, a round wooden plate holds one apple and a single green leaf. To the right of the plate, a white napkin is partially unfolded, displaying the text "LOVE is the best ingredient." in a black, typewriter-style font. In the bottom right corner, another apple is nestled among green leaves and small white flowers. At the bottom left, the tines of three forks are visible.

**What if an app can
change your minutes into
seconds?**

About Campus Eats

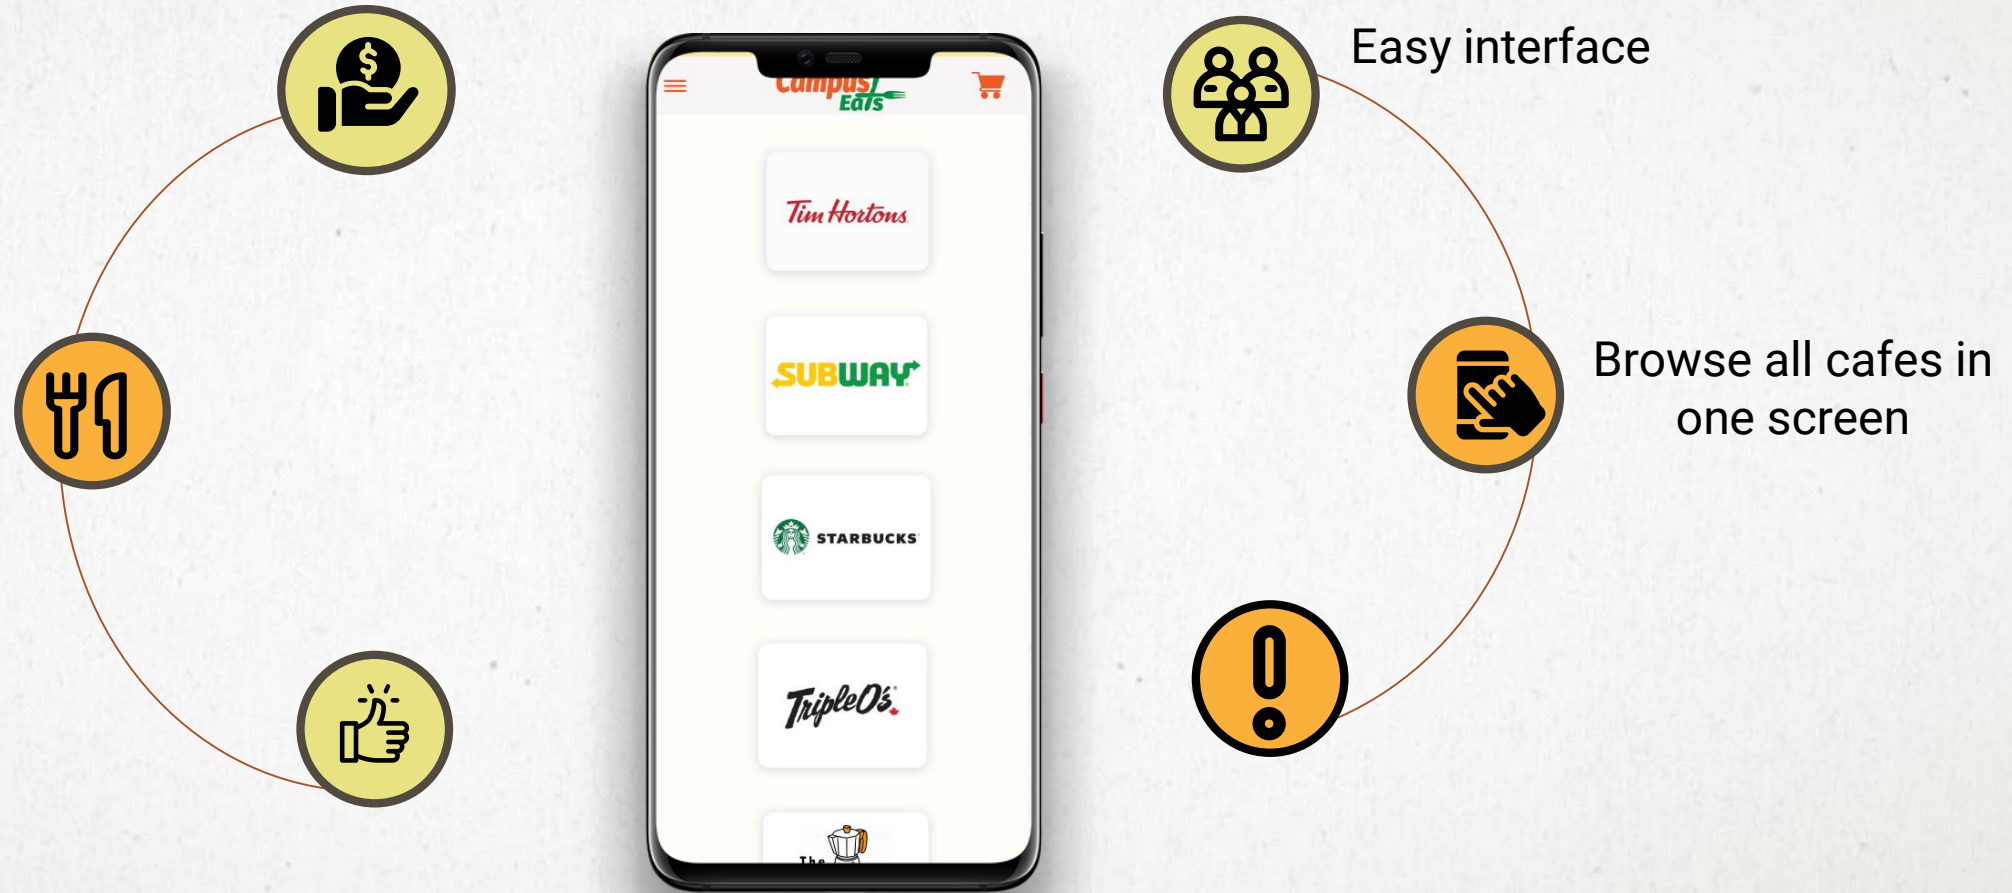

An application to bring together
all the cafes of Langara on one
platform.
